

The CE800ENT+ elliptical trainer incorporates touchscreen technology on a large 15.6" entertainment display. Users can screen mirror from their phone so they can watch whatever they want. Pre-loaded apps also give users the ability to stay entertained with popular streaming, news, and social media content. Connects to third party apps via Bluetooth FTMS. And if that isn't enough, the facility can enable the ability to watch cable TV through an HDMI and cable box connection.

FEATURES:

- Large 15.6" touchscreen with screen mirroring, TV, and streaming/news/social media apps.
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position.
- 3 different workout display modes give users a variety of workout feedback.
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers.
