

The CU800ENT+ incorporates touchscreen technology on a large 15.6" entertainment display. Users can screen mirror from their phone so they can watch whatever they want. Connects to third party apps via Bluetooth FTMS. Pre-loaded apps also give users the ability to stay entertained with popular streaming, news, and social media content. And if that isn't enough, the facility can enable the ability to watch cable TV through an HDMI and cable box connection. The USB charging port, cooling fan, and user-intuitive design appeal to a wide range of users.

FEATURES:

- Large 15.6" touchscreen with screen mirroring, TV, and streaming/news/social media apps.
- Oversized foot pedals with fast-latching system.
- 3 different workout display modes give users a variety of workout feedback.
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers.
