

THE SPIRIT OF
RIDERS

The SBC800 takes indoor cycling to new heights of performance. With its meticulously engineered drive system, each stroke is met with a powerful yet silky-smooth pull. Courtesy of the optimized Q factor and gear ratios, the ride is as fluid as an outdoor road bike. Precisely crafted with a one-piece steel, the SBC800's rock-solid frame eliminates wobbles and maximizes rigidity. With Spirit SBC800, ride miles after endless miles.

One-piece molding and engineered drive system

Maximized rigidity, extended pulling-force, slip-resistant and flex elimination, it just keeps getting better.

**Double-angled stretcher**

Ergonomically designed stretcher with two angles to help riders release their muscle and joint tension.

**Multi-purpose handlebars**

With three ergonomically designed handlebars, seamlessly transition hand positions just like outdoor biking. Precisely adjusted angles.

Sports bar

Superior control, leisurely grip it as you will.

Aero bar

Ready up, start channelling your raw power.

Relax bar

Warm up and cool down, relieves posture tension.
