

SPIRIT

UPPER BODY ERGOMETER

1000UBE

The 1000UBE sets a new benchmark for inclusive training. Featuring a tool-free, forward-folding seat, it allows for an instant transition to wheelchair or standing mode with no removal required. The 15.6" HD touchscreen provides users with precise, real-time data feedback. Its unmatched versatility perfectly caters to a full spectrum of users, from rehabilitation patients and general fitness enthusiasts to professional athletes.

The device features 30 resistance levels, catering to beginners, rehabilitation users, as well as advanced trainers.

15.6 touchscreen with screen mirroring and streaming/news/social media apps.

15.6 Touch TFT Console

Wireless Charging Pad
NFC Connection
Dual Charging Ports(USB/TYPE-C)

Delivering high-efficiency upper body cardio and strength training, it meets the comprehensive needs of everyone, from fitness enthusiasts to professional athletes. With flexible, adjustable crank lengths, it perfectly accommodates standing, seated, and wheelchair workouts, providing the most comfortable and precise Range of Motion (ROM) for every training position.
